

Products Informations

We freeze sensitive products as a healthier and secure way of preservation. We use extra virgin olive oil up to 0,8% acidity in our salads and sunflower oil in our doughs. The ham is made of pork meat and the turkey is smoked fillet. The spice mix we use in Italian Fan Mantona pizza is consisted of salt, pepper, sugar, garlic powder and basil. The eggs, all meat, cooked products and poultry products are precooked and frozen. Potatoes are pre-fried and frozen. Frozen products: desserts, sauces (Bolognese, Napolitain, Heavy cream Adoro Per Pasta), doughs, bread. Our doughs are hand-crafted (with a probability of -/+ 5% in the width of the pizza). Appetizers, pizzas, salads, pasta, meats, sandwiches, burgers, club sandwiches and desserts may contain traces of: gluten grains, egg, soy, milk, nuts, celery, mustard, sesame.
